

LEITH

TOWN CENTRE

What do you think about shopping in Leith?

We are hosting **two drop-in events** at **McDonald Road Library** for the public and local businesses:

Tuesday 26th January between 2 - 5pm
Saturday 30th January between 11 - 2pm

The Council is consulting on draft guidance for Leith Town Centre. This document includes options for guiding the balance of shops with other uses and services. It also identifies opportunity areas and sites for improvement in and around the town centre to support it as a place to shop, visit, live and work.

You can view the draft guidance online at

Please send us your comments on the options being proposed via the Consultation Hub by 16th February
